Mission & Volunteer Opportunities

A message from Rev. Katie Robb Davis:

I love this image of the puzzle-piece dove! Each of us is a piece, each has a part to play. This is how the church works, and how it has worked from the beginning. Paul famously told the early church at Corinth, "Now you are the body of Christ, and each one of you is a part of it." In membership, we are called to play our own part – sharing our different abilities from love, care and nurture to organization to creative endeavors to hospitality. Each of the different ways we play our parts is an act of God's love.

Playing our part involves giving our time and talent – that can include worship, singing, teaching, learning, fellowship, serving, and other church events.

Check out our list of many ways you can (and already do) play your part in our church, in our community, and in our world. There is a varied range of tasks and time commitments, as our gifts and availabilities are varied. What piques your interest? What ONE THING can you do to play your part in the Body of Christ in the coming year? Commit to it, write it on your pledge card, and follow-through by getting in touch with the contact person listed. We can learn more about ourselves and our connection to God through serving others than any other way. So do it for others and do it for yourself.

While this list is big, it is not comprehensive, and there are often special service events for you to take advantage of. I encourage you to keep your eyes on the Friday e-mails and Sunday bulletins for more opportunities. AND, if you have questions or ideas, give me a call.

Playing my part,

Katie

“Now you are the body of Christ, and each one of you is a part of it.”

— 1 Corinthians 12:27

FIT AT WELLSHIRE

Wellshire is a “missional church,” meaning we believe the Holy Spirit is creatively active throughout the world, and we are called to share in God’s work. Through church missions and other volunteer work, we discover our common humanity and share concrete experiences of seeing Christ in the guise of a stranger.
