

Registration for School Year 2022-2023

School Year: September 6, 2020 – May 26, 2023

Daily Hours: 9:25am – 1:30pm

Enrollment, we are currently registering children for Fall 2022. A link for the initial registration will be emailed to parents. Fill out the initial registration information, pay the nonrefundable registration fee, and select the days you wish your child to attend next year. The link for registration will be sent to current PDO families first, then Church and PDO Alumni Families, and finally families new to PDO.

Confirmation of enrollment, and days will be emailed to parents shortly after registration. Class confirmation will be emailed in May, and a link to pay September’s nonrefundable tuition.

Cohort days will continue this coming year with the younger classes. Teachers found the cohort schedule valuable for children’s growth and development at PDO. They felt children transitioned from parents to school easier, and in less time than in previous years. Teachers observed children learned the routines of the day quicker, and developed friendships sooner in the year than previous years, when days were spread out. Teachers had opportunities to build and expand on learning within the themes because of the cohort structure, as well as their relationships with the children. Cohorts were intended to help minimize the spread of Covid 19 and it was helpful with germ control, but the teachers were pleasantly surprised at the overall benefits for the children.

Classes – Based on Age by September 1, 2022	Days	Tuition
Teddy Bear Class 13 Months & Walking – 18 Months 2 Teachers/ 5 Children	Monday/Tuesday Wednesday/Thursday (1 Day Assigned by PDO)	1 Day = \$240 2 Days = \$440
